C'est avec une joie immense que nous apprenons la libération de notre compatriote Thierry DOL et ses trois compagnons d'infortune, tous otages au Niger pendant 1139 jours. 1139 jours de douleur, 1139 jours d'attentes anxieuses.

The image contains three handwritten signatures in black ink. The top signature is the most prominent, featuring a long horizontal stroke on the left that curves upwards and then loops back to the right, ending in a vertical line with a small crossbar. Below this, there are two more signatures. The one on the left is written in a cursive style, and the one on the right is more stylized with vertical strokes and loops. The signatures are arranged in a roughly triangular pattern.
